VELVET GLOVE GANG SETS THEIR SIGHTS ON THE ABDUL DIAMOND!

In a bold and audacious move, a pair of international jewel thieves known as "The Velvet Glove Gang" have announced their intention to steal the prized ABDUL DIAMOND! The precious gem has been missing since the Balshevik Revolution of 1918.

In a statement published online, The Velvet Glove Gang publicly declared that they have tracked down the true location of the Abdul Diamond. They intend to steal the gem from its current holder and ransom it back to the Museum of Shiny Stuff for $5 million.

Will this cadre of capricious criminals complete this crazy caper? Only time will tell.
